

Bronze with Patina 2 - Gang Wall Plate, GU, 120V, 15A, UL Listed

- 2-gang wall plate configuration for GU-style devices
- Brass construction with bronze with patina finish
- Rated 120V, 15A for standard branch circuit service
- IP20 rating for indoor dry-location installation
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-BP-2-G-U is a 2-gang wall plate finished in bronze with patina, suited to residential and light commercial wiring where a vintage or aged-metal aesthetic is specified. It accommodates GU-style device configurations for retrofit or new-construction installations calling for decorative cover plates.

Constructed from brass, the plate is rated for 120V, 15A service with an IP20 rating for standard indoor dry-location use.

The device is UL listed and carries a 1-year warranty.
