- 2-gang screwless wall plate configuration
 - Brass construction with bronze with patina finish
 - Rated for 120V, 15A electrical service
- IP20 rated for dry indoor, non-waterproof locations
 - UL listed
 - 1-year manufacturer warranty

OVERVIEW

The C-VTG-BP-2-S-S is a 2-gang screwless wall plate finished in bronze with patina, designed for residential supply applications where a traditional aesthetic is required. It is constructed from brass and suits standard installations in commercial or upscale residential environments.

This wall plate is rated for 120V/15A service and carries an IP20 rating, making it appropriate for dry indoor, non-waterproof locations.

The device is UL listed and backed by a 1-year warranty.
