

2 - Gang Wall Plate, Toggle and USB Openings, Bronze with Patina, 120V/15A, UL Listed

- 2-gang configuration with toggle switch and USB openings
- Constructed from solid brass for durability
- Bronze with patina decorative finish
- Rated 120V/15A for standard residential circuits
- IP20 rating for dry indoor use
- UL listed, 1-year warranty

OVERVIEW

The C-VTG-BP-2-T-U is a 2-gang wall plate configured with one toggle switch opening and one USB opening, finished in bronze with patina for traditional or vintage-style residential and light commercial installations. It accommodates a single-location wiring configuration combining switch control and USB device charging in one plate.

The plate is constructed from brass with a bronze with patina surface finish and is rated for 120V/15A service. It carries an IP20 rating, suitable for dry indoor environments, and is classified Non-Waterproof.

The device is UL listed and carries a 1-year warranty.
