

3-Gang Decorator Wall Plate, Bronze with Patina, 120V/15A, UL Listed

- Three decorator-style openings in a single 3-gang assembly
- Bronze with patina finish for traditional residential decor
- Constructed from solid brass for durability
- Rated for 120V/15A electrical circuits
- IP20 rated for non-waterproof interior installations
- UL listed with 1-year warranty

OVERVIEW

The C-VTG-BP-3-D-D-D is a 3-gang decorator-style wall plate configured with three decorator openings, finished in bronze with patina for a traditional residential aesthetic. It is intended for residence supply builds where a coordinated multi-gang cover is required.

The plate is constructed from brass and rated for 120V/15A circuits, with an IP20 rating for standard non-waterproof interior use.

The assembly is UL listed and carries a 1-year warranty.
