

3-Gang Wall Plate, One Decorator Opening, Two USB Ports, Bronze with Patina, 120V/15A

- 3-gang configuration with one decorator opening and two USB openings
- Solid brass construction for durability
- Bronze with patina finish for a traditional aged-metal look
- Rated for 120 V / 15 A residential circuits
- IP20 rated for standard indoor dry locations
- UL listed with a 1-year warranty

OVERVIEW

The C-VTG-BP-3-D-U-U is a bronze with patina finish, 3-gang wall plate configured with one decorator opening and two USB openings. Part of the "Build Your Own" residential supply series, it is suited for interior electrical finishing applications where a traditional, aged-metal aesthetic is specified alongside modern USB connectivity.

Constructed from brass, this wall plate is rated for 120 V / 15 A circuits and carries an IP20 rating, indicating suitability for standard indoor dry locations.

The assembly is UL listed and backed by a 1-year warranty.
