

3-Gang Wall Plate, Bronze with Patina Finish, Brass, 120V/15A, UL Listed

- 3-gang configuration for grouped switch or receptacle openings
- Bronze with patina finish over solid brass construction
- Rated for 120V/15A residential circuits
- IP20 rating for dry indoor environments
- UL listed for code-compliant installations
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-BP-3-G-G-S is a 3-gang wall plate finished in bronze with patina, constructed from brass for a traditional, aged-metal appearance. It is intended for residential wiring assemblies where a decorative vintage finish is specified over standard device openings.

The plate is rated for 120V/15A service and carries an IP20 rating, suitable for dry indoor environments. It is UL listed and backed by a 1-year warranty.
