

3-Gang Decorator Wall Plate, Bronze with Patina Finish, Brass, 120V/15A

- Bronze with patina finish for traditional decorative applications
- Brass construction for durability in interior installations
- 3-gang decorator configuration
- Rated for 120V/15A electrical service
- IP20 rating for dry indoor use
- UL listed for compliance verification

OVERVIEW

The C-VTG-BP-3-G-T-T is a 3-gang decorator wall plate finished in bronze with patina, intended for residence supply configurations where a traditional metal aesthetic is specified. The plate is constructed from brass for durability in standard interior wiring device installations.

This wall plate is rated for 120V/15A service and carries an IP20 rating, suited to dry indoor environments. It is UL listed and backed by a 1-year warranty.
