

4-Gang Wall Plate, Two Duplex, One Single and One USB Opening, Bronze with Patina Brass, 120V 15A

- Four-gang brass wall plate with bronze with patina finish
- Configured for two duplex, one single and one USB opening
- Rated for 120V operation at 15A current draw
- IP20 rated for non-waterproof indoor installations
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BP-4-D-D-S-U is a build-to-order 4-gang wall plate finished in bronze with patina, configured with two duplex openings, one single opening and one USB opening. Constructed from brass, it is suited for residential supply applications requiring a period-appropriate decorative finish with a multi-device configuration.

The plate is rated for 120V operation at 15A and carries an IP20 environmental rating for non-waterproof, indoor use.

The device is UL listed and carries a 1-year warranty.
