

5 - Gang Brass Wall Plate, Bronze Patina Finish, Decorator and Toggle Switch Openings, 120V/15A

- 5-gang configuration with decorator, three switch and toggle openings
- Brass construction with bronze patina finish
- Rated for 120 V / 15 A service
- IP20 environmental rating for dry-location interior use
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-BP-5-D-S-S-S-T is a 5-gang wall plate configured with one decorator opening, three switch openings and one toggle opening, finished in bronze with patina. It is intended for residential and light commercial supply installations where a traditional metal finish is required across multiple device types.

Constructed from brass, the plate is rated for 120 V / 15 A service at an IP20 environmental rating, suited to standard interior dry-location use. It is UL listed and carries a 1-year warranty.
