

5 - Gang Wall Plate, Bronze with Patina Finish, One Decorator and Four USB Openings, UL Listed

- Brass construction with bronze with patina finish
- 5-gang configuration with one decorator and four USB openings
- Rated 120V/15A for residential wiring device service
- IP20 rated for dry indoor locations
- UL listed
- 1-year warranty

OVERVIEW

This 5-gang wall plate is finished in bronze with patina and configured with one decorator opening and four USB openings, suited for multi-device residential or light commercial installations where a decorative finish is required over standard white or almond plates.

Constructed from brass, the plate is rated for 120V/15A service and carries an IP20 rating, indicating suitability for dry indoor locations only.

The product is UL listed and carries a 1-year warranty.
