

5 - Gang Brass Wall Plate, Bronze Patina Finish, 120V/15A, UL Listed

- Solid brass construction with bronze patina finish
 - Five-gang layout with three GFCI-style openings, one switch opening and one USB opening
 - Rated for 120 V / 15 A residential and light commercial circuits
- IP20 environmental rating for dry indoor locations
 - UL listed
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-BP-5-G-G-G-S-U is a 5-gang wall plate from the Build Your Own Residence Supply series, finished in bronze with patina over solid brass construction. It is configured with three GFCI-style openings, one toggle switch opening and one USB opening, suited to residential and light commercial installations where a decorative, period-style metal finish is required.

The plate is rated for 120 V / 15 A circuits and carries an IP20 environmental rating for dry indoor use. It is UL listed and backed by a 1-year warranty.
