

5 - Gang Brass Wall Plate, Bronze Patina Finish, 120V/15A, UL Listed

- 5-gang configuration with two switch, one toggle and two USB openings
- Brass construction with bronze patina finish
- Rated for 120 V / 15 A service
- IP20 rated for non-waterproof, dry-location installation
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-BP-5-S-S-T-U-U is a 5-gang brass wall plate finished in bronze with patina, part of the Build Your Own Residence Supply series. The configuration includes two switch openings, one toggle opening, and two USB openings, suited for residential and light commercial wiring where a decorative period-style finish is specified.

Constructed from brass with a bronze patina surface treatment, the plate is rated for 120 V service at 15 A and carries an IP20 environmental rating for standard indoor dry-location use.

The device is UL listed and backed by a 1-year warranty.
