

1 - Gang Decorator Wall Plate, Satin Brass, 120V/15A, UL Listed

- Single-gang decorator wall plate with satin brass finish
- Constructed of solid brass for durability
- Rated for 120V, 15A electrical service
- IP20 environmental rating, non-waterproof, for interior use
- UL listed for code-compliant installations
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SB-1-D is a satin brass single-gang decorator-style wall plate for residential and light commercial wiring applications. It accommodates one decorator (Decora-style) opening and provides a finished cover at switch, receptacle, or dimmer locations.

The plate is constructed of brass with a satin brass finish and is rated for 120V, 15A service. It carries a non-waterproof, IP20 environmental rating suitable for standard interior installations.

The product is UL listed and backed by a 1-year warranty.
