

Satin Brass 2-Gang Wall Plate, Decorator Configuration, 120V/15A, UL Listed

- Two-gang wall plate with two decorator-style openings
 - Constructed of brass with a satin brass finish
 - Rated for 120V/15A residential and light commercial circuits
- IP20 environmental rating, classified non-waterproof
 - UL listed for verified electrical safety compliance
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SB-2-D-G is a satin brass 2-gang wall plate configured for two decorator-style openings, suited to residential and light commercial wiring applications. It mounts over standard two-gang electrical boxes and accommodates decorator switches and receptacles, providing a finished appearance where a warm metallic aesthetic is specified.

The plate is rated for 120V/15A circuits and constructed of brass with a satin finish. It carries an IP20 environmental rating and is classified non-waterproof, making it appropriate for dry interior locations.

The product is UL listed and backed by a 1-year warranty.
