

Satin Brass 2 - Gang Decorator Switch Plate, 120V 15A, UL Listed

- Satin brass finish over solid brass construction
- 2-gang configuration for dual decorator openings
- Rated for 120V, 15A residential wiring circuits
- IP20 rated for interior dry-location use
- UL listed for code-compliant installation
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-SB-2-D-S is a satin brass 2-gang decorator-style wall plate for residential and light commercial wiring applications. It is designed for use with standard decorator (Decora-style) switches or receptacles in a dual-gang configuration, providing a finished cover at switch and outlet locations.

Constructed from brass with a satin finish, the plate is rated IP20 for interior dry-location use and is compatible with standard 120V, 15A wiring circuits.

The device is UL listed and carries a 1-year warranty.
