

Satin Brass 4-Gang Toggle Switch, 15A, 120V, UL Listed

- Four-gang configuration with four toggle switch openings
- Satin brass finish over solid brass construction
- Rated 15A at 120V per switch position
- IP20 rated, classified non-waterproof for interior use
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-SB-4-S-S-S-S is a satin brass 4-gang toggle switch assembly configured with four toggle switch openings, built for residential and light commercial supply applications. It suits multi-switch wall installations where consistent finish and device layout are required.

Constructed from brass with a satin finish, the assembly is rated for 120 V operation at 15 A per switch position. It carries an IP20 rating and is classified non-waterproof, suited for interior dry-location use.

The device is UL listed and carries a 1-year warranty.
