

Satin Brass 5-Gang Toggle Wall Plate Switch, 120V AC, IP20

OVERVIEW

The C-VTG-SB-5-T-T-T-T-T is a satin brass 5-gang toggle wall plate switch designed for residential and light commercial electrical installations. Constructed from solid brass with a vintage brass plate finish, it provides a classic aesthetic suitable for specification in upscale residential projects.

The switch is rated for 120V AC operation and carries an IP20 environmental rating, making it suitable for standard indoor, non-waterproof applications. Rated service life is 50,000 hours.

This product is UL listed and backed by a 1-year manufacturer warranty.
