

Vintage - Style Wall Socket, White
Finish, Brass, 15A with USB Type - C, UL
Listed

- Rated 15A at 120V AC for standard household circuits
- Integrated USB Type-C port for direct device charging
- Brass construction with a white finish for interior installations
- IP20 rated for dry indoor use only
- Non - Waterproof environmental rating restricts use to interior locations
- UL Certified and backed by a 1 - year warranty

OVERVIEW

The C-VTG-SO-USBC-WH is a single vintage-style wall socket with an integrated USB Type-C port, constructed in brass with a white finish. It combines standard 120V AC power with USB Type-C charging in a single wall position, suited to residential and light commercial interiors.

The device is rated 15A at 120V AC and carries an IP20 rating, indicating suitability for dry indoor environments only. Its Non - Waterproof environmental rating confirms it is not intended for wet or damp locations.

This socket is UL Certified, confirming compliance with applicable U.S. safety standards for electrical wiring devices, and is backed by a 1 - year warranty.
