

Stripped Brass 1 - Gang Residence Supply Outlet, 120V 15A, UL Listed

- Brass construction with stripped finish for vintage-style installations
- Rated for 120V service at 15A current draw
- IP20 rated for dry, non-waterproof indoor environments
- UL listed for compliance verification
- Backed by a 1 year manufacturer warranty
- Rated for 50,000 hour service life

OVERVIEW

The C-VTG-SS-1-G is a stripped brass single-gang residence supply outlet built for custom-configured electrical assemblies in commercial and residential installations. It serves as a component for contractors and electricians assembling outlet configurations to job specification.

Constructed from brass with a stripped finish, the unit is rated for 120V service at 15A and carries an IP20 rating, indicating suitability for dry indoor, non-waterproof environments. The internal components are rated for a 50,000 hour service life.

The outlet is UL listed and backed by a 1 year warranty.
