

Stripped Brass 1 - Gang Residence Supply Outlet, 120V 15A, UL Listed

- Stripped brass finish for custom hardware assemblies
- Brass construction for durability in fixed installations
- Rated for 120V, 15A residential and commercial circuits
- IP20 rating suited to dry indoor environments
- UL listed for electrical safety compliance
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-1-U is a stripped brass single-gang residence supply outlet designed for commercial and residential electrical installations. It functions as a component in custom outlet assemblies, offering a bare brass finish for integration into contractor-specified wiring configurations.

Constructed from brass, the outlet is rated for 120V, 15A service and carries an IP20 rating, indicating suitability for dry indoor environments rather than wet or wash-down locations.

The unit is UL listed and backed by a 1-year warranty.
