OVERVIEW

The C-VTG-SS-2-D-D is a stripped brass 2-gang duplex/duplex residence supply outlet designed for commercial and residential electrical installations. Configured with a dual duplex layout in a single 2-gang form factor, it suits applications requiring multiple outlet positions within a compact footprint.

The outlet is rated for 120V at 15A and constructed from brass with a stripped finish. An IP20 rating indicates suitability for dry indoor environments, providing basic protection against solid objects in standard interior installations.

The unit is UL listed and carries a 1-year warranty.
