

Stripped Brass 2 - Gang Residence Supply Outlet, 120V/15A, UL Listed

- Stripped brass construction for custom finishing or bare-metal installation
- 2-gang configuration for dual device or outlet mounting
- Rated for 120V operation at 15A current draw
- IP20 environmental rating for dry indoor use
- UL listed for electrical safety compliance
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-2-T-U is a stripped brass 2-gang residence supply outlet configured for build-your-own electrical installations. The bare brass finish provides a base suitable for custom plating or direct mounting where an unfinished metal look is specified.

The unit is rated for 120V operation with a 15A current draw, suitable for standard residential and light commercial branch circuits. It carries an IP20 environmental rating and is classified non-waterproof, indicating suitability for dry, indoor locations only.

The assembly is UL listed and backed by a 1-year warranty.
