

3-Gang Wall Plate, Stripped Brass, Two Duplex Openings and One Toggle Switch

- Solid brass plate construction with stripped brass finish
- Configured for two duplex openings and one toggle switch opening
- Rated IP20, non-waterproof, for indoor use only
- UL listed for residential electrical installations
- Suited to 120V circuits rated up to 15A
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-SS-3-D-D-T is a stripped brass 3-gang wall plate configured for two duplex receptacle openings and one toggle switch opening, intended for build-your-own residential supply applications. The brass construction with a stripped finish suits decorative or historic-style electrical trim where a mixed device layout is required in a single gang assembly. Rated IP20 for non-waterproof indoor use and suited to 120V circuits up to 15A, the plate carries UL listing and a 1-year warranty.
