

3 - Gang Stripped Brass Residence Supply Outlet, Duplex - Ground - Ground, 120V/15A

- Constructed from stripped brass for mechanical durability
- Rated 120V at 15A for standard branch circuit loads
- IP20 environmental rating for dry indoor use only
- Non - waterproof environmental classification
- UL listed for compliance verification
- Backed by a 1 - year warranty

OVERVIEW

The C-VTG-SS-3-D-G-G is a 3 - gang stripped brass residence supply outlet configured in a Duplex - Ground - Ground (DGG) arrangement. It is designed for commercial and residential electrical supply applications where a multi - gang brass outlet assembly is required, offering a durable metal construction suitable for standard branch circuit installations.

The outlet is rated for 120V/15A operation and constructed from brass, providing reliable conductivity and mechanical durability in typical indoor environments. It carries an IP20 rating and is classified as non - waterproof, suitable for dry, indoor locations only.

The assembly is UL listed and backed by a 1 - year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime	50,000 h
