

3-Gang Wall Plate, Stripped Brass Finish, One Duplex and Two Toggle Openings, UL Listed

- Brass construction with a stripped finish for a raw metal appearance
- Configured for one duplex receptacle and two toggle switch openings
- Rated 120 V at up to 15 A for standard residential circuits
- IP20 environmental rating, classified non-waterproof
- UL listed for compliance verification
- 1-year warranty coverage

OVERVIEW

The C-VTG-SS-3-D-T-T is a 3-gang wall plate configured for one duplex receptacle opening and two toggle switch openings. Constructed from brass with a stripped finish, it is intended for residential wiring installations where a metal cover plate is specified in place of standard plastic.

The plate carries an IP20 environmental rating and is classified non-waterproof, suited for dry interior locations. It is rated for 120 V service at up to 15 A.

The product is UL listed and carries a 1-year warranty.
