

Stripped Brass 3 - Gang Residential Supply Outlet, 120V 15A, UL Listed

- Stripped brass finish over brass construction
- Rated for 120V operation at 15A
- IP20 rated, non-waterproof environmental classification
- UL listed for compliance verification
- Backed by a 1-year warranty
- 3-gang configuration for build-your-own wiring setups

OVERVIEW

The C-VTG-SS-3-D-T-U is a stripped brass 3-gang residential supply outlet designed for build-your-own wiring configurations. It is intended for residential supply applications where a multi-gang outlet assembly is required, giving contractors and installers the flexibility to configure the outlet to project-specific requirements.

The assembly is rated for 120V operation at 15A and constructed from brass with a stripped brass finish. It carries an IP20 rating and is classified non-waterproof, suiting indoor residential installations.

The unit is UL listed and backed by a 1-year warranty.
