

3 - Gang Stripped Brass Residence Supply Outlet, 120V 15A, UL Listed

- 3-gang configuration for grouped switch and outlet installations
- Stripped brass finish over brass construction
- Rated 120V at 15A for standard residential and commercial circuits
- IP20 rated for dry indoor, non-waterproof environments
- UL listed for compliance verification
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-3-G-G-U is a 3-gang stripped brass residence supply outlet built for commercial and residential electrical supply applications. The stripped brass finish and brass construction provide a durable, conductive base suited for contractor installation in standard multi-gang configurations.

The outlet is rated for 120V at 15A and carries an IP20 environmental rating, indicating suitability for dry indoor environments with no protection against moisture ingress.

The unit is UL listed and backed by a 1-year warranty.
