

3 - Gang Stripped Brass Residence Supply Outlet, 120V 15A, UL Listed

- Constructed of solid brass with a stripped brass finish
- Rated for 120V operation at 15A current draw
- IP20 rated for dry indoor environments
- Non - waterproof environmental rating
- UL listed for compliance verification
- Backed by a 1 - year manufacturer warranty

OVERVIEW

The C-VTG-SS-3-T-U-U is a 3-gang stripped brass residence supply outlet designed for commercial and residential electrical installations. The stripped brass construction provides a durable, conductive base suitable for contractor-grade wiring applications where a finished cover plate is specified separately.

This outlet is rated for 120V at 15A and carries an IP20 rating, indicating suitability for dry indoor environments. The brass material and non-waterproof rating support standard interior electrical supply configurations.

The unit is UL listed and backed by a 1-year warranty.

SPECIFICATIONS
