

4-Gang Brass Wall Plate, Three Duplex and One Switch Opening, 120V/15A

- Stripped brass construction for a vintage hardware finish
- Configured for three duplex receptacles and one single-pole switch
- Rated for 120 V / 15 A electrical service
- IP20 environmental rating for dry indoor locations
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-4-D-D-D-S is a 4-gang brass wall plate configured for three duplex receptacles and one single-pole switch, suited for residential and light commercial wiring where combined outlet and switching functions are needed in a single gang assembly. Constructed from stripped brass, the plate is rated for 120 V / 15 A service and carries an IP20 environmental rating for standard indoor dry-location use. The assembly is UL listed and backed by a 1-year warranty.
