

4 - Gang Stripped Brass Duplex/Duplex Residential Supply Outlet

- Stripped brass finish for a vintage hardware appearance
- 4 - gang duplex/duplex/ground/ground (DDGG) configuration
- Rated 120 V AC at 15 A for residential branch circuits
- IP20 rated for dry, indoor installation only
- UL listed for compliance verification
- 1 - year manufacturer warranty

OVERVIEW

The C-VTG-SS-4-D-D-G-G is a 4 - gang stripped brass residential supply outlet configured with a duplex/duplex/ground/ground (DDGG) layout. It is designed for use in residential wiring applications where a pre - stripped brass outlet assembly is required, supporting multi - device installations in a single gang configuration.

The outlet is constructed from brass and rated for 120 V AC service at 15 A, suitable for standard residential branch circuit applications. The unit carries an IP20 rating, indicating protection against solid objects greater than 12 mm with no specific moisture resistance, appropriate for dry, indoor environments.

The assembly is UL listed and carries a 1 - year warranty.
