

4 - Gang Stripped Brass Residential Supply Outlet, 120V 15A, UL Listed

- Brass construction with a stripped brass finish
- Rated for 120V operation at 15A current draw
- IP20 rated for dry indoor environments
- Non-waterproof environmental rating
- UL listed for code-compliant installations
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-4-D-G-T-U is a 4-gang stripped brass residential supply outlet built for custom build-your-own supply configurations. It suits residential electrical installations where a multi-gang brass outlet assembly is specified by contractors or electricians sourcing components to job requirements.

Constructed from brass with a stripped brass finish, the assembly is rated for 120V at 15A and carries an IP20 rating with a non-waterproof environmental rating, suitable for dry indoor environments.

The assembly is UL listed and carries a 1-year warranty.
