

4 - Gang Brass Stripped Supply Outlet, 120V 15A, UL Listed

- 4-gang brass configuration for multiple supply connections
- Stripped brass finish for a vintage hardware appearance
- Rated 120V at 15A for standard branch circuits
- IP20, non - waterproof rating limits use to dry interior locations
- UL listed
- 1 year warranty

OVERVIEW

The C-VTG-SS-4-S-S-S-T is a 4-gang brass stripped supply outlet built for residential and light commercial branch circuit wiring where multiple supply connections are needed at a single location. The stripped brass finish gives it a distinct vintage hardware appearance suited to period-style renovations and custom electrical builds.

Rated for 120V at 15A, the unit is compatible with standard North American branch circuits. Brass construction supports reliable conductivity and mechanical durability in supply applications. The rating is IP20, non - waterproof, so installation should be limited to dry interior locations.

The product is UL listed and carries a 1 year warranty.
