

## Vintage Brass 4-Gang Toggle Switch Wall Plate, 120V AC, IP20

### OVERVIEW

The C-VTG-SS-4-T-T-T-T is a 4-gang toggle switch wall plate finished in vintage brass, designed for residential and light commercial wiring applications where a classic metal aesthetic is required. The plate accommodates four toggle switch positions and is intended for standard 120V AC branch circuits.

Constructed from brass with a vintage finish, the plate carries an IP20 environmental rating, making it suitable for dry indoor locations only. Rated operating life is 50,000 hours at 120V AC.

This product is UL listed and backed by a 1-year manufacturer warranty.
