

5 - Gang Stripped Brass Residence Supply Plate, Two Duplex, One Switch, Two Toggle Openings

- 5-gang configuration with two duplex, one switch, and two toggle openings
- Constructed from brass with a stripped brass finish
- Rated for 120V AC service at 15A
- IP20 rated for non-waterproof interior applications
- UL listed for commercial and residential wiring installations
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-5-D-D-S-T-T is a 5-gang residence supply plate configured with two duplex openings, one switch opening, and two toggle openings, constructed from stripped brass. It is intended for commercial and residential electrical installations where a multi-gang wiring device solution is required at a single outlet location.

The unit is rated for 120 V AC service at 15 A and carries an IP20 rating suitable for standard interior, non-waterproof environments.

The device is UL listed and backed by a 1-year manufacturer warranty.
