

5 - Gang Stripped Brass Residence Supply Outlet, 120V 15A UL Listed

- 5-gang configuration for multiple device mounting
- Stripped brass finish over solid brass base material
- Rated for 120V operation at 15A current draw
- IP20 rated, non-waterproof, for dry indoor use
- UL listed for verified electrical compliance
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-5-D-U-U-U-U is a 5-gang stripped brass residence supply outlet designed for commercial and residential electrical distribution applications. The stripped brass construction provides a durable, corrosion-resistant contact surface suitable for standard branch circuit wiring configurations.

This outlet is rated for 120V at 15A and is intended for use in dry, indoor environments consistent with an IP20 rating.

The unit is UL listed and backed by a 1-year manufacturer warranty.
