

5 - Gang Stripped Brass Residence Supply Outlet, 120V, 15A, UL Listed

- Stripped brass finish for a vintage hardware appearance
- Solid brass construction for durability
- Rated for 120V operation with 15A current draw
- IP20 rated for non-waterproof, dry-location installation
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-5-G-G-S-T-T is a 5-gang residence supply outlet constructed from stripped brass, designed for commercial and residential electrical distribution applications. This build-your-own configuration suits contractors and property managers requiring a durable, multi-gang outlet solution in standard indoor installation environments.

The unit operates at 120V with a 15A current draw and carries an IP20 rating for non-waterproof, dry-location use. It is UL listed and backed by a 1-year warranty.
