

5 - Gang Stripped Brass Residence Supply Outlet, 120V 15A, UL Listed

- Stripped brass finish for a vintage hardware appearance
- Brass construction for durability in fixed installations
- Rated 120V at 15A maximum current draw
- IP20 rated for dry indoor use only
- Non - waterproof environmental rating
- UL listed, 1 - year warranty

OVERVIEW

The C-VTG-SS-5-G-T-U-U-U is a 5-gang residence supply outlet built with stripped brass hardware for commercial and residential electrical distribution. This build-your-own configuration suits contractors and property managers who need a multi-gang outlet assembly with durable brass construction.

The unit accepts 120V input at up to 15A and carries an IP20 rating with a non-waterproof environmental rating, making it appropriate for dry indoor installations. Rated component life is 50,000 hours.

The assembly is UL listed and backed by a 1-year warranty.
