

5 - Gang Stripped Brass Residence Supply Outlet Cover, 120V 15A UL Listed

- Brass construction with stripped brass finish
- IP20 rated for indoor dry-location use
- Non-waterproof environmental rating
- Rated for 120V, 15A electrical service
- UL Listed for verified safety compliance
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-5-S-S-S-S-U is a 5-gang stripped brass residence supply outlet cover designed for commercial and residential electrical installations. Configured with a SSSSU gang arrangement, it is suited for multi-outlet applications where a durable brass finish and multi-position coverage are required.

Constructed from brass, this cover plate is rated for 120V/15A service and carries an IP20 rating, making it appropriate for standard indoor dry-location installations.

The unit is UL Listed and backed by a 1-year warranty.
