

5 - Gang Brass Residence Supply Outlet, Stripped Brass, 120V 15A, UL Listed

- Stripped brass finish for field-applied custom coating or patina
- Solid brass construction for durable, conductive housing
- Rated 120V AC at 15A for standard branch circuit compatibility
- IP20 rated for indoor, non-waterproof installation environments
- UL listed for verified electrical safety compliance
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-5-S-S-T-T-U is a 5-gang brass residence supply outlet in a stripped brass configuration, built for custom electrical distribution panels in residential and commercial settings. The stripped brass housing allows contractors and electricians to complete finishing and termination work in the field.

The unit is rated for 120V AC service at 15A and carries an IP20 rating for indoor, non-waterproof installations. It is UL listed and backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime	50,000 h
