

5 - Gang Stripped Brass Residence Supply Outlet, Two Toggle and Three USB Openings, 120V/15A

- Stripped brass finish over solid brass construction
- Configured with two toggle switch openings and three USB openings
- Rated for 120V operating voltage at 15A current draw
- IP20 rated for non-waterproof, dry indoor environments
- UL Listed for verified electrical safety compliance
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-SS-5-T-T-U-U-U is a 5-gang stripped brass residence supply outlet configured with two toggle switch openings and three USB openings, designed for commercial and residential electrical distribution applications. The stripped brass construction provides a durable, conductive base suitable for contractor installation in multi-circuit supply configurations.

This outlet is rated for 120V input at 15A maximum current and carries an IP20 rating, indicating suitability for dry indoor, non-waterproof environments.

The unit is UL Listed and backed by a 1-year warranty.
