

Vintage 1 - Gang Toggle Wall Switch,
16A/110V, White Stainless Steel, IP20

- Single-gang toggle switch rated 16A at 110V maximum
- White stainless steel plate finish with vintage styling
- IP20 environmental rating for non-waterproof interior use
- Rated for ambient operating temperatures down to -10°C
- Plate dimensions measure 86mm x 86mm
- CE certified for compliance verification

OVERVIEW

The C-VTG-SW1-SQ6-WH is a single-gang toggle wall switch finished in white stainless steel, designed for residential and light commercial wiring applications where a vintage aesthetic is required. It installs into a standard single-gang wall box and is suited for installation by licensed electricians.

The switch is rated for a maximum load of 16A at 110V and carries an IP20 environmental rating for non-waterproof interior use. It is rated for ambient operating temperatures down to -10°C. The plate measures 86mm x 86mm and the unit is CE certified.

This item is offered as a final-sale unit at a reduced price and carries a limited 30-day warranty.

SPECIFICATIONS
