

## Vintage Brass 1-Gang Toggle Switch, 120V AC, UL Listed, IP20

### OVERVIEW

The C-VTG-SW1-SS is a single-gang toggle switch finished in vintage brass, designed for residential and light commercial wiring applications where a traditional aesthetic is required. The brass construction and striped plate provide a period-appropriate appearance suitable for retrofit or new installation work.

The switch is rated for 120V AC operation and carries an IP20 environmental rating, making it suitable for dry indoor locations only. Rated service life is 50,000 hours.

This switch is UL Listed (File E313169) and backed by a 1-year warranty.
