

Vintage 2-Gang Round Toggle Wall Switch – Black Stainless Steel Panel

OVERVIEW

The C-VTG-SW2-SQ2-BL is a 2-gang vintage-style toggle wall switch featuring a black stainless steel panel with brass toggle levers. Designed for decorative residential and light commercial installations, it pairs with standard 86mm junction boxes and suits retrofit or new-construction wiring projects where period-appropriate hardware aesthetics are specified.

The panel measures 86mm x 86mm with a 4mm panel thickness and is rated for 110–250V operation, making it compatible with standard North American and international supply voltages. The stainless steel panel and brass toggle construction provide durability appropriate for finished interior environments.

SPECIFICATIONS

Input voltage	110-250 V	Dimensions	86 x 86 mm
IP rating	IP20	Weight	11 g

INSTALLATION

Suitable junction box:	86size
Applicable voltage:	110-250V
Certification:	CE
