

Vintage 2-Gang Toggle Wall Switch, Bronze Stainless Steel Panel, 110–250V

OVERVIEW

The LumiPro Vintage 2-Gang Toggle Switch is a decorative wall switch designed for residential and light commercial interior applications where a retro or industrial aesthetic is required. The bronze-finish stainless steel panel pairs with a brass toggle mechanism, fitting a standard 86mm x 86mm junction box.

The switch is rated for 110–250V operation with a maximum current of 16A. The panel measures 86mm x 86mm with a 4mm panel thickness. This is a Final Sale item offered at a reduced price and carries a limited 30-day warranty.
