

Vintage Junction Box for 1, 2 and 3 Gang Switches, White Finish, IP20

- Accommodates 1, 2 and 3 gang switch configurations
- White finish for a clean, finished appearance
- IP20 ingress protection rating
- Non-Waterproof environmental rating for dry indoor use
- CE certified

OVERVIEW

The C-VTG-SW3-BOX is a white junction box designed for use with 1, 2, and 3 gang switch configurations. It is suited for indoor installations where a clean, finished appearance is required alongside standard switch mounting hardware.

The box carries an IP20 ingress protection rating and is classified Non-Waterproof, confirming its intended use in dry indoor locations.

The product is CE certified.
