

3-Gang Vintage Round Wall Switch, Bronze Stainless Steel, 110V 16A

- 3-gang round switch configuration in bronze finish
- Stainless steel construction for indoor decorative applications
- Rated 16A maximum current at 110V
- IP20 rating for non-waterproof indoor environments
- Operates down to -10°C ambient temperature
- CE certified

OVERVIEW

The C-VTG-SW3-SQ2-BZ is a 3-gang vintage-style round wall switch finished in bronze-toned stainless steel. Designed for decorative commercial and residential interior applications, it suits projects where period-appropriate aesthetics are required alongside standard switching functionality.

The switch is rated for a maximum load of 16A at 110V and carries an IP20 rating for non-waterproof, indoor use. It is rated for ambient operating temperatures down to -10°C. The stainless steel construction provides durability in light-duty indoor environments.

The unit is CE certified. This item is a Final Sale product offered at a reduced price and carries a limited 30-day warranty in lieu of standard coverage.
