

Vintage 4-Gang Junction Box, White Finish, IP20 Rated

- Houses 4-gang switch configurations in a single enclosure
- White finish matches vintage-style switch hardware
- IP20 rated for protection against solid object ingress
- Rated Non-Waterproof, suited to dry indoor locations
- CE certified for compliance in commercial installs
- Weighs 49 lb

OVERVIEW

The C-VTG-SW4-BOX is a white junction box built to house 4-gang switch installations in vintage-style wiring setups. It provides a period-appropriate enclosure for multi-switch configurations in commercial and residential settings where visual consistency with vintage switch hardware is required.

The box carries an IP20 rating, suited to dry indoor environments with protection against solid object ingress but not moisture. It is rated Non-Waterproof and weighs 49 lb.

The product is CE certified.
