

4-Gang Vintage Toggle Wall Switch, Black Stainless Steel Panel, 110–250V

OVERVIEW

The Lumipro Vintage Toggle Wall Switch is a 4-gang, single-pole decorative switch panel designed for residential and light commercial interior wiring applications where a retro-industrial aesthetic is required. The panel is constructed from stainless steel with a brass toggle mechanism and is finished in matte black.

The switch is rated for 110–250V AC operation and a maximum current of 16A. The panel measures 86 mm x 86 mm with a 4 mm panel thickness and is compatible with standard 86-size junction boxes. This item is offered as a final sale product and carries a limited 30-day warranty.

SPECIFICATIONS

Input voltage	110-250 V	Dimensions	86 x 86 mm
IP rating	IP20	Weight	3 oz

INSTALLATION

Suitable junction box:	86size
Applicable voltage:	110-250V
Certification:	CE
