

Vintage Brass 1 - Gang T Wall Plate, Brass, 120V 15A, UL Listed

- Single-gang wall plate with T-style opening configuration
 - Solid brass construction with vintage brass finish
 - Rated 120V at 15A maximum current draw
- IP20 rated, non-waterproof, for interior dry locations
 - UL listed
 - 1-year manufacturer warranty

OVERVIEW

The C-VTG-VB-1-T is a single-gang wall plate finished in vintage brass, built for residential and light commercial supply applications where a traditional aesthetic is required. Configured in a T-style opening layout, it accepts a single wiring device.

The plate is rated for 120V at 15A service and carries an IP20 environmental rating, indicating a non-waterproof design suited to interior, dry-location installations. Solid brass construction supports the vintage finish and provides durability for repeated device swaps.

The product is UL listed and backed by a 1-year warranty.
