

Vintage Brass 2 - Gang Toggle Wall Plate, 120V/15A, UL Listed

- Two-gang configuration with single-toggle switch opening
- Solid brass construction for a vintage finish
- Rated for 120V and 15A residential circuits
- IP20 environmental rating for dry interior use only
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-VB-2-S-T is a vintage brass 2-gang single-toggle wall plate for residential wiring applications. Its brass construction provides a traditional aesthetic suitable for period-appropriate or upscale interior installations.

The wall plate is rated for 120V and 15A service and carries an IP20, non-waterproof environmental rating, indicating suitability for dry interior locations only.

The device is UL listed and backed by a 1-year warranty.
